Remarks/Arguments

The specification has been amended for the purpose of conforming the application to the requirements of the Rules of Practice in the United States Patent and Trademark Office.

The claims have been amended to assure that the various elements of the claims are positively recited, to delete alternative phrases and to delete all multiple dependencies.

Since the abstract of the disclosure was omitted, an Abstract of the Disclosure has been inserted. The Abstract of the Disclosure also is provided herewith on a separate sheet.

Please charge any additional fees which may be incurred as a result of this Preliminary Amendment, or credit any overpayment, to Deposit Account No. 502221.

It is respectfully submitted that this amendment will facilitate examination of the application, and it is respectfully requested that the amendment be entered to that end.

Respectfully submitted,

Arthur Jacob
